John Lennon wrote the song with a simple, universal message anyone could understand. Inspired by that idea, I built this heart from hundreds of hand-shaped layers of paint. The dark background and drips represent hard times, yet the heart still holds its shape—a reminder that love endures.

Renu Singh***"Love, Music and Revolution"***

Level: Professional

Size: 1x20x30

Medium: Canvas; Mixed Media

Price: \$432.99 (includes 8.25% sales tax)

Inspiration: Love, Music & Revolution is inspired by The Beatles and the extraordinary cultural movement their music helped ignite. The young woman, shaped by the spirit of the 1960s, carries their music across her eyes—symbolizing how music enters the mind, changes perspective, and inspires a new way of seeing the world.

Surrounded by British icons, instruments, Abbey Road imagery, and explosive psychedelic color, she represents a revolution that began in England and traveled across the globe, influencing music, fashion, art, youth culture, and self-expression. At its heart, the artwork celebrates the enduring power of music to connect generations, inspire change, and spread a universal message of love. Music can live in our minds, change our perspective, connect generations, and spread love far beyond where it began.

Price: \$757.75 (includes 8.25% sales tax)

Inspiration:

My Beatles artwork was inspired by their creativity and lasting influence, especially the song "Free as a Bird" and their iconic guitars. The song inspired the bird as a symbol of freedom, while the guitar-shaped body and strings celebrate their music. Through color and surreal imagery, I express their joyful, imaginative spirit.

Brian Williams***Lucy's Romance***

Level: Professional

Size: 36" x 48"

Medium: Acrylic on Canvas

Price: \$3,031.00 (includes 8.25% sales tax)

Inspiration: Lucy's Romance was inspired by "Lucy in the Sky With Diamonds." After listening to the song, I thought about how I would interpret it through art. The song takes the viewpoint of the listener—"picture yourself in a boat on a river." The man in the painting represents the listener, "looking for the girl with the sun in her eyes." She is represented by the girl in the painting, whose large eyes have a sweet, positive countenance. The imagery is bright and slightly psychedelic, with trees along the shore and textured skies.
