FabFestCharlotte.org

Welcome to FabFest-Charlotte's Beatles Festival!

We celebrated our first FabFest in 2019. It continues to grow each year as it draws fans from across the region to the Queen City. Tosco Music launched FabFest to help music lovers of all ages and cultures come together around the timeless songs and universal popularity of the music of the Beatles.

This is an opportunity to discover new artists and sing along, just like all our Tosco Music Parties. Thank you for being part of this year's festival and helping Tosco Music build community through music year-round.

On behalf of our Board of Directors and everyone involved, I wish you a wonderful FabFest weekend!

John Tosco
Executive Director

About Tosco Music

For more than 30 years, Tosco Music has presented music with a purpose in Charlotte. Our nonprofit programs celebrate diversity with a wide variety of performers and music styles, and support musicians of all ages, serving both youth and older adults across Charlotte.

At Tosco Music events, nationally recognized acts share the stage with undiscovered artists and audience members enthusiastically sing along. We support the music-makers, including the music-maker in you!

While we've expanded to larger venues over the years, and added new outreach programs like our music career workshops, family-friendly open mic, youth music scholarships and senior singalongs, our core value has never changed - **it's still all about the music!**

SING ALONG

I WANT TO HOLD YOUR HAND

(Lennon & McCartney)

Oh yeah, I'll tell you something
I think you'll understand
When I say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand

Oh, please say to me
You'll let me be your man
And please say to me
You'll let me hold your hand
Now let me hold your hand
I want to hold your hand

**And when I touch you I feel happy inside
It's such a feeling that, my love
I can't hide
I can't hide
I can't hide**

Yeah, you got that something
I think you'll understand
When I say that something
I want to hold your hand
I want to hold your hand
I want to hold your hand

CHORUS

Yeah, you got that something
I think you'll understand
When I feel that something
I want to hold your hand
I want to hold your hand
I want to hold your hand
I want to hold your hand

ALL MY LOVING

(Lennon & McCartney)

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

I'll pretend that I'm kissing
The lips I am missing
And hope that my
dreams will come true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

**All my loving
I will send to you
All my loving
Darling I'll be true**

Close you eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

**All my loving
I will send to you
All my loving
Darling I'll be true**

**All my loving
All my loving
Ooh, all my loving
I will send to you**

CAN'T BUY ME LOVE

(Lennon & McCartney)

Can't buy me love, love
Can't buy me love

I'll buy you a diamond ring my friend
If it makes you feel alright
I'll get you anything my friend
If it makes you feel alright
'Cause I don't care too much for money
Money can't buy me love

I'll give you all I got to give
If you say you'll love me too
I may not have a lot to give
But what I got I'll give to you
I don't care too much for money
Money can't buy me love

**Can't buy me love, everybody tells me so
Can't buy me love, no no no, no**

Say you don't need no diamond rings
And I'll be satisfied
Tell me that you want the kind of things
That money just can't buy
I don't care too much for money
Money can't buy me love

CHORUS

Say you don't need no diamond rings
And I'll be satisfied
Tell me that you want the kind of things
That money just can't buy
I don't care too much for money
Money can't buy me love

Can't buy me love, love
Can't buy me love

TWIST & SHOUT

(B. Russell & P. Medley)

Well shake it up, baby, now

Twist and shout

Come on, come on, come on, come on, baby, now

Come on and work it on out

Well work it on out

You know you look so good

You know you got me goin' now

Just like I knew you would

CHORUS

You know you twist it, little girl

You know you twist so fine

Come on and twist a little closer now

And let me know that you're mine

CHORUS

You know you twist it, little girl

You know you twist so fine

Come on and twist a little closer now

And let me know that you're mine

Well shake it, shake it, shake it, baby, now

ALL YOU NEED IS LOVE

(Lennon & McCartney)

Love, Love, Love
Love, Love, Love
Love, Love, Love

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how
how to play the game
It's easy

Nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how
to be you in time
It's easy

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, Love, Love

CHORUS

Nothing you can know that isn't known
Nothing you can see that isn't shown
Nowhere you can be that isn't
Where you're meant to be
It's easy

CHORUS

All you need is love (All together, now!)
All you need is love (Everybody!)
All you need is love, love
Love is all you need

HEY JUDE

(Lennon & McCartney)

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

**And any time you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder**

Hey Jude, don't let me down
You have found her, now go and get her
Remember, to let her into your heart
Then you can start to make it better

**So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do
The movement you need is on your shoulder**

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you begin to make it better
Better better better better, oh!

Nah nah nah nah nah nah, nah nah nah, hey Jude
